

**Intercultural Studies
Minor
Peeke School of Christian Mission**

Program Coordinator: D. Kreiss

Intercultural Studies is an interdisciplinary program designed to equip students to interact effectively in an increasingly interdependent and culturally-diverse world. With its focus on global competencies in language and culture, world affairs, and service, the program challenges students to think critically about western and non-western cultures, to develop global self-awareness, and to consider the ethical implications of decisions that affect their lives and the lives of others, both locally and globally.

Because of its emphasis on skills vital to cross-cultural life, work, and service, the minor complements a variety of majors and gives students a competitive edge in seeking employment in businesses, communication, education, global health, history and politics, nonprofit organizations, ministries, and government agencies serving culturally diverse communities. Students completing a minor in Intercultural Studies position themselves for maximum impact in a culturally-diverse world.
